The screenshot shows the Autodesk Application Manager interface. The window title is "Autodesk Application Manager". The main header includes the Autodesk logo and "Application Manager", with "Settings" and "Help" links. Below the header, there are tabs for "WELCOME" and "UPDATES", and a "Sort by: Date" dropdown menu. The "UPDATES" tab is active, showing a section for "New Updates (5)". A single update is listed:

<input type="checkbox"/>	<input type="button" value="v"/>		Autodesk® Revit® 2015 English Locked Windows 64 bit R2 UR9 Update Release 9 for Autodesk Revit 2015 R2 for Subscription customers Released: 07/10/2015 Publisher: Autodesk Severity: High	Status: Not Installed Update ID: CU004117 Size: 98.9 MB	<input type="button" value="Install"/> <input type="button" value="Ignore"/>
--------------------------	----------------------------------	---	--	---	---

Details

This update release addresses issues reported to Autodesk against Autodesk Revit 2015 R2. In addition, Autodesk Revit 2015 Update Release 9 for R2 contains the fixes resolved within Update Release 8 for Autodesk Revit 2015 R2 for Subscription customers and all prior updates. Consult the enhancements documentation for areas improved by by this update release.

This update release is not a full install; rather it uses service pack technology similar to AutoCAD-based products. You can apply this update release to Autodesk Revit 2015 R2 running on all supported operating systems and languages. Consult the readme file for installation instructions and be sure to install the correct update for your software and operating system.

Note: After this update release is applied successfully, the build number specified on the Help > About dialog will be 20150704_0715.
